The screenshot displays a web application for managing library book copies. On the left, a vertical sidebar contains icons for home, books, categories, notifications, a selected 'copies' section, analytics, a grid view, and a user profile. The main content area features a search bar at the top right with the text 'Search' and a user dropdown menu showing 'admin'. Below this is a section titled 'Book Copies' with an 'Add Copy' button. A table lists the following data:

| COPY ID | BOOK TITLE | STATUS |
|---------|---|-------------|
| 20 | Divergent | Unavailable |
| 3 | Harry Potter and the Philosophers Stone | Unavailable |
| 19 | Lobizona: A Novel | Available |
| 25 | Percy Jackson | Available |
| 11 | The Summer I Turned Pretty | Available |
| 23 | The Summer I Turned Pretty | Available |
| 17 | To All the Boys I've Loved Before | Available |
| 2 | Turtles All the Way Down | Available |

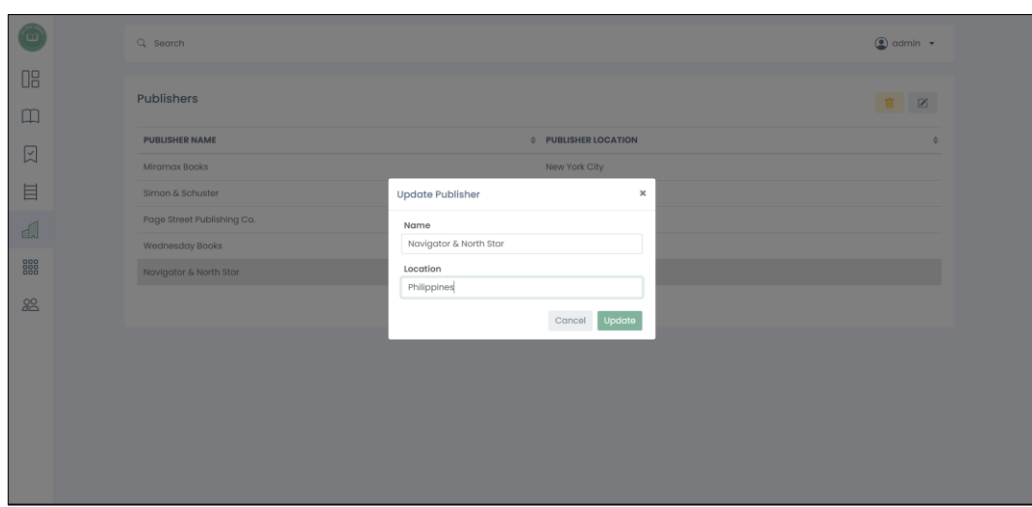

At the bottom of the table, there is a pagination control showing '1' of 2 pages. A yellow toast notification at the bottom right reads 'Copy Deleted Successfully!'.
